

OMAR YASIR DFAALLA

FRONTEND DEVOLOPER

ABOUT ME

Front-End Developer with a strong background in building dynamic web applications and browser-based games. Since 2022, I've delivered over 14 freelance projects, collaborating with diverse clients to create responsive, user-friendly interfaces. Skilled in React, JavaScript, and CSS, I focus on solving real-world UI/UX challenges and optimizing performance. I'm passionate about crafting reusable components and continuously improving accessibility and user experience.
